

## **Why study with UCE?**

It's time to stop going in the flow of exhausting and expensive education that really doesn't teach you how to create your life from within outwards. Our courses take you within yourself so you can gain the knowledge and tools in order to live life to your true potential. You will expand your consciousness and shift your own life into a flow of health, wealth and happiness while being given the tools to help others do the same.

U.C.E are proud to be one of the first platforms to offer online accredited Doctorate courses, which use effective methods to teach and bring forth from the student dynamic understanding of the mind, life and the way it works.

At U.C.E, students are encouraged to express their passion to UNCOVER the unknown, CONNECT this with their own reality and EMPOWER themselves into enriching their life and the lives of others. It is this individual shift in consciousness that has the potential to truly change our world for the better.

All students are valued and above all, supported through their journey of learning and attaining a professional title of achievement.

## **Do you have specific start dates?**

You can enrol in our online courses anytime you like. You don't need to wait for a certain date just enrol, check your emails for your login details, login, and start learning!

## **How do I enrol?**

It's easy, just click on the Enrol Now link located on any of our course information pages and follow the simple steps and you will be able to start your course straight away! If you have any questions email us at [enquiries@uceducation.online](mailto:enquiries@uceducation.online)

## **Will I receive a certificate?**

When you complete your course you'll receive a certificate from the University of Consciousness Education showing that you have successfully completed your studies. We have been awarded the highest accreditation as a course provider by CTAA – Complementary Therapists Accredited Association – giving our online courses the recognition of being an exceptionally high standard of learning. This gives you, as a U.C.E student, the invitation to join the CTAA upon the completion of your courses(s), at no additional cost to yourself. Our aim is to support you not only through your learning process, but also as a practitioner by providing you with a membership foundation that has many benefits, including discounted insurance. All of this comes as a package when you join U.C.E.

## **Is this course a fully accredited course?**

All of our courses are fully accredited by the Complementary Therapists Accredited Association (CTAA). Here is the link to their website for you <https://www.ctaamembers.com/>. Accreditation with CTAA guarantees we have been accepted as a Premier Quality Distance Learning Provider and our courses meet the standard of excellence required to achieve this. Our certificates are stamped with the seal of Quality Distance Learning (QDL). Because we are a member of CTAA it also means that once you have completed a course with us, you can also join CTAA as an approved Practitioner of **Quantum Counselling**. CTAA can also connect you with affiliated insurance companies worldwide in order to take out insurance for your practice when setting up your business.

**Do I need to complete the course in a certain amount of time?**

Our online platform enables our courses to be studied at an individual pace. So, you can complete our courses at your own pace, it doesn't matter how long you take.

**Is there support available during the course?**

All the video lessons, workbooks and assessment are online and live forums and live monthly webinars provide an amazing level of support when you need it. We are always available via email as well. Our students rave about how supported they feel and comment that the depth of this work is like nothing they have ever experienced.

**Are there prerequisites in order to enrol?**

Our courses are available to anyone, anywhere and at any time. Upon enrolment you will have access to the course immediately.

To do our Doctorate courses all earlier levels need to be completed as prerequisites. So the Certificate level is the prerequisite for the Diploma, which is a prerequisite for the Bachelor degree. Once you have completed the Bachelor degree you can move on to the Doctorate. Every level contains vital content that you will not have found anywhere else, so there is no instance in which anyone will be permitted to waive a prerequisite course.

**Will this course help me in my current therapy practise?**

We have many counsellors, healers and other therapists who enrol on our courses to gain new skills and catapult their therapy practice and their ability to help others.

**How long will it take me to complete the Certificate to Doctorate Courses?**

Students can complete our courses at their own pace, so it doesn't matter how long they take. To ensure students have adequate time to fully immerse themselves in the content and application of the course we have set a minimum amount of time for the completion of each course. Any assessment tasks cannot be submitted before the minimum time as outlined below. Each Course in the series is a prerequisite for the next (eg. The certificate course is a prerequisite for the Diploma course).

The minimum time frames for our courses are as follows:

Certificate of Client Transformation: 60 Hours Study Time  
(Minimum time after enrollment before assessment can be submitted = 60 days)

Diploma in Client Transformation Practitioner: 120 Hours Study Time  
(Minimum time after enrollment before assessment can be submitted = 90 days)

Bachelor of Client Transformation Practitioner: 180 Hours Study Time  
(Minimum time after enrollment before assessment can be submitted = 120 days)

Doctorate of Client Transformation: Course content and 35000 word Thesis  
(Minimum time after enrollment before assessment can be submitted = (180 days)

### **Can I access course content on my phone?**

Yes! Our courses are student friendly and the lessons can be taken via laptop or mobile phone. !

### **Will I have assessment to do on my course?**

Our 'lifestyle courses are not assessed, though you can ask for a certificate of attendance to be awarded to you on completion of your course if you would like one.

If you enroll in one of our Certificate to Doctorate Courses you will have assessment questions to complete during each stage. This assessment will need to be submitted via email. You will also have case study questions as part of each stage that help guide you towards your Doctorate thesis. These can also be submitted via email for feedback at any stage along the way but are not required as part of the assessment until you reach the Doctorate level.

### **How are payments for my course made?**

Payments for our courses are accepted directly through our website platform and processed through Stripe. Stripe is a world class trusted and secure payment system. You can make your payment/s using either a debit or credit card.

### **Can I go back to all videos/lessons once I have pressed the completed button? Is there a time restriction on being able to go back?**

You can go back over any of the lessons whenever you want to with no restriction whatsoever. Just click on the lesson you want to do again inside the relevant course when you are logged in to your student portal.

### **If I buy a bundle will I have access to the every course from the Certificate to the Doctorate straight away?**

When you buy a Certificate to Doctorate bundle you will have access to the certificate course straight away. Once you have listened to all of the video lessons in that course, and marked them as complete, you will then gain access to the next course in the series, which would be the Diploma. So you will gain access to the Doctorate course automatically once your Bachelor course is complete.
